GENERAL PRODUCT SAFETY

All items we supply are designed, manufactured and marketed in compliance with the safety requirements established by Regulation (EU) 2023/988 of the European Parliament and of the Council on general product safety. The products meet the applicable safety criteria, taking into account their technical features, composition, packaging, instructions for use and the provided safety warnings, in order to ensure a high level of protection for the health and safety of consumers.
NB: for any products with electrical parts, please refer to the specific CE declarations of conformity.

USER SAFETY NOTES BY PRODUCT TYPE

In general, items that pose specific risks to the user are accompanied by safety indications with phrases and/or symbols suitable for the purpose; it is RECOMMENDED to comply with the warnings reported on the products, on the packaging and/or on the accompanying documents. The safety provisions drawn up for the items that require them are available for consultation in the dedicated section of the corporate website **https://www.filmop.com/en/eu-regulation-2023988-gpsr**

DECLARATION OF CONFORMITY

All the products sold by us are in compliance with the laws in force regarding safety and are covered by an insurance policy "Civil responsibility for products"
